

CFN105US

NCP105 front panel and adapter frame kit – 1-gang US

Product information:

The CFN105US is a sleek and practical mounting solution designed to seamlessly integrate the NCP105 networked control panel into a 1-gang US standard electrical box. This custom adapter frame includes a modified front panel, ensuring a clean and professional installation for US-based applications. Whether you're equipping meeting rooms, classrooms, or retail environments, the CFN105US offers a perfect fit with consistent aesthetic and mechanical alignment.

Variants:

- CFN105US/B - Black version
- CFN105US/W - White version
