Product information:

FCHS208 is a professional flightcase for a horn speaker made out of high quality 9 mm multiplex with black scratch-resistant coating. The flightcase has removable front and back lid, integrated flip handles and professional butterfly latches. The finishing profiles are made of 3 mm thick aluminum and are present on the front and back. Every corner of the flightcase is reinforced with extra sturdy galvanized metal. Including 4 caster wheels (2 with brakes) for easy transport and foam inlay on top and bottom to protect the speaker. For AUDAC HS208MKII.
